## Directions:

Dr. Nguyen's outpatient clinic is west/right of the VA bed tower hospital and their ER, directly across from the Fisher House. It is the single story area of the hospital. There is a landscaped traffic circle with valet parking with a sign Outpatient near the roof of the entrance. There are 2 sets of automatic doors to go through. After going through both sets of doors, turn right at the red wall, and then turn left at the black sign above that says "Vending Area" and Primary Care. Go down to "Primary Care 2" Hallway. Dr. Nguyen's office is at the very end of the hall, last door on the left. Room # GC1-137-1. There is a red "Negative Pressure Room" sign on the door."
